New residents are required to register their vehicles within 30 days of moving into the unit. Unit owners are responsible for ensuring renters' vehicles are registered.

New vehicles must be registered within 30 days of acquisition. All vehicles must have current registration.

Failure to register your vehicle(s) by the deadline will result in a \$150 fine and a \$150 fine for each subsequent month not registered.

Residents are also required to deregister any previously registered cars that are no longer associated with their unit. You may contact Patrol Masters to request a list of vehicles that are registered to your unit and to update your vehicle registration at any time.
