Community Observations and News

HELLO GLENWOODIANS.....

I am filling in this month for our awesome Newsletter Editor. These are BIG shoes to fill.

I would like to take this opportunity to thank everyone who serves this community. From the Board Members, to Pool Committee, to Landscape Committee, to Architect Committee, to Clubhouse Committee to Security Committee to those that pick up trash, to those like Ron Cary who send me special gems of interest that improve our community, and Ken Middlebrooks who checks out the pool area most mornings (probably to chase off ducks).... A REALLY BIG THANK YOU!

Please note the POOL is open for business and the pool committee and all the Glenwood residents that use the pool, will appreciate it if you clean up after yourself. Take care of the restroom facilities and our pool mascot.... THE SHARK. It is his job to scare off the ducks that leave messes. Be sure that children are carefully supervised at all times. This month Stan Winston is taking great care to clean the messes they leave. Thank you STAN!

We will be painting in 2018 so this is a good time to have your termite inspection completed and make any repairs needed to your wood.

It is a very good idea to review the Rules and Regs and CC&R's on [www.myhoa.com/glenwood](http://www.myhoa.com/glenwood). It is your responsibility to know the rules. The website also contains a maintenance repair and replacement matrix and forms you will need prior to making improvements. Landlords that lease units are responsible to see that your tenants KNOW THE RULES AND REGULATIONS.

IT IS TIME FOR OUR NOMINATING Committee to be formed. Will you help out? If you can give a little time and energy to help our community prepare for the upcoming elections in September, please call Darien or email her at [Darien@stonecastle.com](mailto:Darien@stonecastle.com). Start thinking about taking time to serve on the Board as nomination forms will be sent out in May.

Newsletter ideas & suggestions can be sent to [littlejeanie@me.com](mailto:littlejeanie@me.com). A VERY SPECIAL THANK YOU to Virginia Luzi for her dedication in putting out an informative and beautiful newsletter.

Next Board Meeting is May 11<sup>th</sup>. Come Joint Us.
