

Landscape Committee & Other Interested Parties - Informative Tour

Shipley Nature Center

Central Park, Huntington Beach
17851 Goldenwest Street
(park off Goldenwest at Talbert)

Saturday, March 3rd, 8:00 am – 9:30/10:00 am

For a group of 10 or under, the price is a total of \$30.00
For each person over a group of 10, the price goes up \$3 per person.
Please RSVP me as soon as possible. I will need a head count.

This is a private tour just for us by the Shipley Nature Center Director/Docent.
This would also be the ideal time to ask all the questions you want; and see and experience first-hand, what our Meadow may soon look like.

We should all come away with some really good ideas after seeing the Shipley Nature Center.

<http://www.shipleynature.org>

The Shipley Nature Center is also open to the public, free of charge, from 9 am to 1 pm, Monday through Saturday (Donations accepted).
However, our special tour includes the Director/Docent as our guide to hopefully help all of us see the bigger picture.
